Biddabah School Choir

Dear Parents,

3/9/12

Your child has shown an interest in becoming a member of our brand new school choir. It is our vision that in time, our choir will sing regularly in front of the whole at Friday school assemblies and special occasions such as Presentation Day and Education Week. Eventually we would also like our choir to perform for audiences outside school, at local nursing homes and shopping centres.

At this stage our choir practise will take place every Tuesday during lunch time in Mrs McEwan's classroom. This year students from Year 3, Year 4 and Year 5 will have the opportunity to join the choir. We are looking for committed students to be involved in our choir and students who will always turn up to practise.

Could you please discuss this commitment with your child and sign out the following commitment note if your child would like to secure a permanent place in the choir.

Thank you
Mrs McEwan, Mrs Eve, Mrs Langford & Mrs Hones
(The Choir Committee)

Dear Mrs McEwan,

My child_____________ of class__________ would like to join the school choir. We realise that choir practise will be held every Tuesday during lunch time. My child is committed to turning up to practise every week and is very excited to be a member.
