Scripture (SRE) & Ethics (SEE) Classes in 2016

Parent/Caregivers in public schools have the right to have their child attend Ethics SEE classes or Scripture SRE, when authorised teachers are available.

Special Education in Ethics (SEE) is a program in ethical decision-making, action and reflection within a secular framework, based on a branch of philosophy.

Special Religious Education (SRE) is education in the beliefs and practices of an approved religious persuasion by authorised representatives of that persuasion.

Parents have always had the option of withdrawing children from Scripture and the third option now is will be withdrawal from SRE and SEE.

In 2016, parents will have the choice to withdraw children or to enroll them in Scripture or Ethics classes. Depending on feedback from this survey we will form classes to run concurrently.

To enable us to plan these classes from Term 1, 2016 we ask all Parents/Caregivers to state their preference. If you require further information regarding SRE or SEE, brochures are available from our school office.
